One powerful voice

MOAA lobbies the U.S. Congress and the Pennsylvania Legislature on legislation affecting the career force, the retired community and veterans of the uniformed services. As a tax-exempt veterans organization it advocates issues but cannot by law support any political party or the election or defeat of any political candidate. Our chapter's mission is to promote MOAA's purposes and objectives; to foster fraternal relations among retired, active, reserve, and former officers of the uniformed services; to protect the rights and interests of personnel of the uniformed services and their dependents and survivors; to provide useful services for members and their dependents and survivors, and to serve our community and the nation.
